

Limited Lifetime Warranty:
Stainless Steel and SILGRANIT® Sinks

BLANCO CANADA INC. hereafter referred to as BLANCO, is pleased to offer a limited lifetime warranty with all BLANCO sinks used in normal domestic installations. BLANCO warrants its sinks to be free from all manufacturing defects in material and workmanship.

BLANCO will repair or replace, at no charge, excluding labour, any sink supplied by BLANCO that is proven to be defective under normal use. An equivalent replacement will be issued to the original owner provided the defective sink was installed in accordance with BLANCO installation procedures, used and cleaned as recommended and not damaged due to abuse, misuse or negligence. Chips, scratches and stains are not deemed to be manufacturing defects. BLANCO will not be held liable for chips, scratches and stains that can occur under normal use over a period of time. Please refer to cleaning instructions to maintain your sink in its original appearance. BLANCO shall not be held liable under this warranty where the sink has been used in a non-domestic application, improperly installed, or damaged from the impact caused by a heavy object being dropped on the sink or from improper handling. BLANCO shall not be liable for any inconvenience or expense for material or labour related to the removal or replacement of a defective sink or for any loss or damage to any person or property whatsoever resulting from the defective sink. All transportation costs to and from the point of purchase will be the responsibility of the purchaser.

Any sink returned must be in the original packaging and include all the accompanying accessories, parts and documentation. BLANCO reserves the right to inspect any sink reported to be defective prior to replacement of the sink.

WARRANTY EXCLUSIONS

Excluded are any accessories that accompany the sink (strainers, waste fittings, waste chutes etc.).

Accessories and Soap Dispensers

BLANCO warrants its accessories and soap dispensers to be free from manufacturing defects for a period of one (1) year from the date of purchase.

Limited Lifetime Warranty: Faucets

All faucets are thoroughly checked and tested in the factory. However, if the faucet has a manufacturing defect, BLANCO reserves the right to replace the damaged part or the entire faucet.

BLANCO warrants its faucets to be free from manufacturing defects in material and workmanship; and the finish and ceramic disk cartridge to be free from manufacturing defects and workmanship, to the original consumer purchaser of the faucet from the original date of purchase for as long as the original consumer purchaser owns their home. If the cartridge proves to be defective during the warranty period, BLANCO will provide a replacement free of charge.

Finish and ceramic disk cartridge LIFETIME*
(*Lifetime to original consumer purchaser)

Mechanical components, hand spray and hoses LIFETIME*
(*Lifetime to original consumer purchaser)

A new enhanced warranty program for faucets took effect April 15, 2010. (This is not retroactive to previously purchased faucets). It extends the previous 2-year limited period for mechanical components, hand spray and hoses to a limited lifetime warranty period. (As before, the finish and ceramic disc cartridge have limited lifetime warranties).

This warranty does not cover faucets which have been improperly installed or subject to improper use or used in a location other than a residential kitchen or faucets which have been damaged due to mineral deposits or the use of corrosive or abrasive cleaning agents. This warranty does not cover shipping costs, labour costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the faucet. BLANCO is not responsible or liable for indirect, special or consequential damages arising out of or in connection with the use or performance of its faucets and its liability under this warranty is limited to the replacement of the defective material at the location of purchase.

Obligation of the original owner

The original dated sales receipt must be retained by the customer and is the only acceptable proof of purchase.

BLANCO makes no additional warranties, expressed or implied and any implied warranty including that of merchantability or fitness for a particular purpose, is limited in its duration to the duration of the written limited warranties set forth herein. No employee, agent or other person is authorized to provide any warranty on behalf of BLANCO for a BLANCO product that is in addition to or different from the warranty stated above unless the warranty has been previously approved by an authorized BLANCO representative.

This warranty gives you specific legal rights and you may also have other rights which may vary from province to province.

Rotated 170 degrees

Faucet hole $\Phi 1-3/8"$

INSTALLATION

Tools Needed:

- Adjustable wrench
- Channel lock pliers

Dimensional Requirements:

- MAXIMUM deck thickness is 2 1/2"
- Faucet Hole Size is 1-3/8"

1. Shut off water supply to the faucet and remove old faucet if necessary.
2. Place faucet through 1-3/8" hole.
3. Secure faucet to sink/countertop using mounting hardware (10). The proper sequence of hardware is triangular reinforcement base, rubber washer, metal washer, and mounting nut. Hold line while tightening nut to prevent line from twisting. Do not over tighten.
4. Before connecting supply lines to the water valves, flush each water valve to remove dirt and particles that can affect the functioning of the faucet and void warranty.
5. Connect Hot and Cold supply lines to hot and cold water valves.
6. Insert spray hose through center of the Weight (9) and attach Hose Connector (7) to Spray Hose connector until it clicks.
7. Open water valves slowly and check connections for leaks.
8. Turn the faucet on and check for leaks.
