### BLANCO ARTONA SOAP DISPENSER

#### • ASSEMBLY

Position the dispenser in the hole making sure to place the seal (3) between the dispenser and the supporting surface. Attach by using the special nut, insert and gasket (4). Connect the bottle (5) to the threaded stem (4). In order to fill in the bottle pull out dispenser (1) lifting it up and pour the soap into the base (5). Reassemble and pump the dispenser several times till the soap comes out.

#### REPLACEMENT OF THE PUMP

1. Remove the dispenser and pump by grasping the dispenser (1) and pulling upward away from the base.
2. To separate the pump (2) from the dispenser (1): grasp the flats on the pump shaft with pliers and turn counterclockwise. To avoid scratching the pump it is recommended to wrap the shaft with a soft cloth before using the pliers.

#### CLEANING

Use only liquid cleaners or soapy water. Anti-lime or acidic cleaners such as scouring agents or abrasive sponges are to be avoided. Polish with soft cloth.

Warranty: Limited 1 year warranty from original date of purchase. All claims must be accompanied by original sales receipt
