## BLANCO Expands Premium Offerings with New Accessories

### Versatile Accessories Set to Launch Late Spring 2022

**TORONTO, ON, March 2022** — BLANCO continues to offer solutions for upgrading kitchens with products that achieve more versatility to meet the demands of modern home life. BLANCO, the premium kitchen solutions brand backed by industry-leading German engineering, introduces new productive accessories for customizing a complete BLANCO UNIT. With functionality at the forefront, the new accessories include the BOTTON II, a clever sink cabinet organization system, and the multi-purpose Foldable Grid. BLANCO's kitchen workstation accessories launch late spring 2022.

“For over 95 years, BLANCO has passionately delivered smart solutions and beautiful designs to elevate everyday experiences in the kitchen. The new accessories exemplify our commitment to further enhance our BLANCO UNIT offerings,” states Edyta Drutis, BLANCO's Director of Brand & Communications for North America. “Now homeowners and designers can customize with multipurpose organization components, so their UNIT has even more functional benefits beyond the sink and faucet.”

### CABINET ORGANIZATION

Say goodbye to clutter under the sink with the new [BOTTON II](#) organizational system that maximizes storage for recycling, cleaning supplies and more. The BOTTON II fits seamlessly below the sink base cabinet and boasts easy to access under the sink organization, including two removable four-gallon bins with handles and a top shelf for additional storage. The often ignored, but frequently used sink cabinet have great potential for optimizing workflow by making everyday items easily within reach, yet out of sight. Reinvent your sink cabinet with the BOTTON II – the perfect final touch to any BLANCO UNIT. Easy to install on the bottom of the cabinet using just four screws, the BOTTON II is 10” wide, 19” deep and 15 3/4” tall.

### FOLDABLE GRID

BLANCO's impressive roster of clever accessories broadens with the Foldable Grid. This multi-purpose sink grid is designed to maximize space above the bowl. Use it as a rack for rinsing produce, drying dishes, heat protection for countertops or a practical addition to the worktop to help ease prep and fill pots. The options are limitless, making it an indispensable tool in the kitchen. The Foldable Grid is made of high-quality stainless-steel rods and is connected by flexible, slip-proof silicon for added stability. When it is not in use, it can be folded up and stowed at the edge of the sink or in your cabinet. The Foldable Grid is 18 1/8" long and 17 5/16" wide and works for a variety of BLANCO sinks.
