BLANCO to Launch New Faucet Finishes This Spring

Matte Black and Satin Gold Broaden BLANCO's Robust Line of Finishes

LUMBERTON, NJ, March 2022 — This spring, BLANCO, the premium kitchen solutions brand backed by industry-leading German engineering, will introduce two new metal faucet finishes – bold Matte Black and luxurious Satin Gold. The expanded offerings broaden the brand's existing line of metal and SILGRANIT® faucet finishes, all designed to coordinate beautifully with BLANCO's portfolio of Silgranit, Stainless Steel and Fireclay sinks for a complete BLANCO UNIT.

Matte Black

Embrace bold with Matte Black. Whether you need a pop of contrast in a white kitchen or a dramatic accent to complement dark countertops, BLANCO's new Matte Black finish is a versatile option that works with a variety of colors and design styles. BLANCO's Matte Black will be offered in the EMPRESSA, RIVANA and ATURA faucet collections and EMPRESSA, RIVANA and LATO soap dispensers. Opt for a Matte Black finish in the RIVANA Semi-pro faucet, inspired by professional kitchens for the full Semi-pro Home Chef BLANCO UNIT experience.

Satin Gold

Elevate your space with BLANCO's new Satin Gold faucet finish. Unlike deeper-toned brass and bronze faucets, Satin Gold receives a warm welcome for its modern, soft hue. Delicate details, and the subtle texture of the brushed finish, radiate luxury while easily mixing and matching with existing metals in the kitchen. Satin Gold will be offered in the EMPRESSA, RIVANA and LINUS kitchen faucet collections and EMPRESSA, RIVANA, TORRE and LATO soap dispensers. For those interested in a farmhouse-inspired BLANCO UNIT, the EMPRESSA faucet collection in Satin Gold brings a touch of vintage elegance that traditional design enthusiasts will love.
