BLANCO RIVANA™ – new contemporary faucet collection

Where form and function are one.

TORONTO, Jan. 16th, 2020 – European styling, modern lines, today's living – the new **RIVANA™ faucet collection** offers a range of beautiful faucets and soap dispensers that blend organic shapes with ergonomic functions. The unique style is represented by a clean square design that transitions into simple rounded contours. This collection pairs perfectly with contemporary sinks. The full RIVANA suite features the RIVANA Semi-Pro, High Arc, Bar/Prep faucets and soap dispenser, allowing homeowners to mix, match and accessorize for a complete look.

RIVANA Semi-Pro faucet brings the professional chef experience to the kitchen with its semi-pro look, pull-down sprayhead, and its easy-to-use magnetic docking arm. RIVANA High-Arc is for those wanting a stylish kitchen faucet combined with convenient pull-down, dual spray features. You can complete the overall design with matching bar faucet featuring pull-down function and uniquely designed soap dispenser that comes with a generous 500ml soap dispenser bottle. RIVANA collection offers solid brass construction and environmentally-friendly 1.5 GPM flow rate on all faucets.

"We are thrilled to introduce the RIVANA faucet collection – it offers a fresh, organic design, enduring beauty, ergonomics, and function," says BLANCO's Director of Marketing, Edyta Drutis. "This collection has a great selection of choices; is perfect for modern kitchen needs and will satisfy homeowners that are looking for a new contemporary look. RIVANA products, as with all BLANCO faucets, are supported by a limited lifetime warranty."

About BLANCO

For three generations, BLANCO has quietly and passionately elevated the standards for luxury sinks, faucets and accessories. Founded by Heinrich Blanc and family-owned since 1925, BLANCO's humble beginnings originated in Oberderdingen, Germany - which is also the current location of BLANCO's global headquarters. Proud of its European heritage and award-winning German engineering, BLANCO is truly committed to high quality, innovative design and unsurpassed service. This can be seen in their unique selection of STEELART® sinks, the natural warmth and beauty of SILGRANIT® and the elegant artistry of BLANCO faucets. In 2015, BLANCO marked its 90th anniversary worldwide and BLANCO Canada is home to North America's SILGRANIT® sink manufacturing facility. As a recognized leader in superior craftsmanship and innovation, BLANCO products reflect human evolution that connects function, expression and technology. In 2020, BLANCO Canada will be celebrating their 30th anniversary.
